

Seely Primary & Nursery School

Co Headteachers: Mrs S Pearce & Mrs J Newton

16th May 2019

Dear Parents and Carers,

We are pleased to inform you that our Ofsted report is now ready for you to view on our website. It will go live on the Ofsted website on Wednesday 22nd May 2019. The headline findings of the report are:

Overall effectiveness	Good
Effectiveness of leadership and management	Good
Quality of teaching, learning and assessment	Good
Personal development, behaviour and welfare	Good
Outcomes for pupils	Good
Early Years' provision	Good

There is an overwhelming amount of positive comments in the report but we are particularly proud that our inclusive ethos and fully-enriched curriculum were highly praised. The lead inspector commented that, "You can't create a school atmosphere like this and get such good results by accident" and described our children as "delightful". The report shows that the inspection team understood our ethos, the hard work and the shared strengths and values that underpin the achievements and successes gained by the children. There are areas we still need to work on; our attendance hovers just below the national average, but the report acknowledges that we have solutions already in place that need time to work in order to improve the situation.

Thank you all for supporting and working with us so closely since the amalgamation of our great Primary and Nursery school.

It really has been a team effort and we look forward to continuing to work with you within our thriving school community.

Regards

Mrs Pearce and Mrs Newton

Co Head teachers, Seely Primary and Nursery

Dear Parents and Carers,

The Governors of the school would like to thank all Staff, Pupils, Parents and Carers for their role in the achievement of a "Good" rating from Ofsted.

The findings of the inspectors are a great reflection of the hard work that has taken place over recent years. The report is full of many great examples of how staff worked to support all groups of children in the school, demonstrating the urgency and importance they placed on improving results, whilst not losing sight of their role in developing good citizens.

The Governors will work with the school to build on this success as it continues to grow and support its community. In the autumn we will share the vision and strategy for the next 5 years, describing how the school will work to ensure the best possible education and start in life for all our pupils.

Yours Faithfully

Orlando Hampton

Chair, Seely Primary and Nursery School Full Governing Body
