IMPORTANT – MAY NEED ACTION

Sun cream and hats

At long last it looks like the summer has arrived! Please can you make sure that sun cream is applied at home prior to coming into school. If your child will need another application during the day, then they will be able to reapply the cream just before lunch. All sun cream brought into school will need to be clearly labelled with your child's name. Could you also please make sure that your child has a **named** sunhat. They must also have in school a water bottle that they can refill when required. FS children have access to filtered water at all times and additionally are given drinks throughout the day at regular intervals and so do not need water bottles.

EID Could you please inform the office if your child will be absent from school due to EID. So that we can make the necessary changes to lunches.

Nursery Garden

As part of their community projects, Sherwood Co-Op employees have been working hard on developing the nursery garden. They have given up their time to come and get the beds ready for planting and donated resources. Lots of different seeds were provided by the Co-Op and the children had fun planting them. We now have a vegetable bed, a fruit tree bed, a herb garden and a bed to grow food in for our school pets. We would like to say a BIG thank you to Callum Cleverley (former pupil and nursery parent) and Tom Leighton (former pupil) for organising it all.

Office Hours

Due to the School Summer Festival on Wednesday 21st June, the school office may not be manned after 4 pm. Sorry for any inconvenience that this may cause.

THE GREAT GET TOGETHER - This is an event taking place on Saturday 17th June inspired by the Jo Cox Foundation to mark the first anniversary of the MP Jo Cox who died a year ago. It takes place at Woodthorpe Park from 2.30 – 5.30pm.

MAKE, MOVE AND MUNCH CLUB

There is still places on this course. It is cancelled for the 21st June because of the Summer Festival but will be back on the 28th June. These are sessions for parents and will run on **Wednesdays from 9-11.30 for 5 more weeks**. They are a series of free sessions designed to help families make small steps to better health, have fun and meet other families. You will get the chance to cook a meal, get active and receive some freebies. Children at school will be able to join in at 11.00 to try the food you have cooked. This course comes from a partnership between Nottingham City Care, Diabetes UK, British Heart Foundation and Tesco. There is some leaflets at reception if you would like to know more. Please ring me Lorraine on 07521512372 to book a space or email me at lorraine.boddy@seely.nottingham.sch.uk. Thanks.

SAINSBURYS ACTIVE KIDS VOUCHERS

Please could you bring any more vouchers that are lingering in your purses or on ledges at home in by the 30th June. Thanks to several of our coffee morning parents, we have already counted 16,000! However, we think there is more out there –the school does really benefit from the sports equipment it receives from this venture.

SEELY SEEDS

This is a free session for children from 2 ½ years to come along with their parent or carer. It is a getting ready for nursery session, which runs on Wednesdays from 1.45-3.15pm. You can just turn up and you do not have to attend every week. There will be no session on the 21st June because of the Summer Festival.

CHILDMINDING

A few people have expressed an interest in this as a possible career option but is there anyone else who may want to find out more. We are thinking of running a session at school to explain how you can register, what it entails, the benefits etc. This a job that can work very well with having children at school. I myself (Lorraine) childminded for a number of years and can talk to anyone about the benefits. Here at Seely, there is a lack of childcare available at present and we felt it might be a good venture to try to support some parents into considering it as a job prospect. Please let me know if you are interested in coming to a session to find out more. Please ring me Lorraine on 07521512372 to register your interest or email me at lorraine.boddy@seely.nottingham.sch.uk. Thanks.
