Issue 8, 17/18

Dear Parents,

Thank you all for your support during this last term. The Christmas productions, parties and Christingle have all been very successful. Merry Christmas to you all on behalf of all the staff and governors. However, our warm wishes are tinged with sadness and our thoughts are with Ava's family during this difficult time. The children and staff are being well-supported in school in remembering the fun and vibrant personality of this amazing little girl. Special assemblies have been held this week. Ava touched us all in so many ways and taught us all so much. Ava's family have requested that no flowers are sent but they will be setting up a charity giving page for donations, details of this page will be sent out in the new year when it has been activated. The family thank you for your kindness and warm wishes.

### Parking:

Can we remind all parents/ carers to park responsibly when collecting / bringing your children to school and when attending school events. We have had a few incidents recently where local residents were completely blocked in or out of their driveways, one of which held the traffic up on Perry Rd for 10mins in rush hour.

Please be courteous to our local residents and consider parking a little further away from school and walking the rest of the way.

### Y6 Swimming 2018:

Y6 swimming will begin the first week back on Wednesday 10<sup>th</sup> 2018.

Important information has been sent out by the class teacher. If you have any questions or have not received the information please contact the school.

**Will you join us and help keep all children safe online?** O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools, support and guidance to help parents and carers have conversations with their children about their online lives.

**Online safety workshops for parents**

As part of this, they're running free **online safety workshops for parents and carers** and will be hosting one at Seely Primary School at 9.15am on 8<sup>th</sup> February 2018. We would like to invite all parents and carers to join. The hour-long workshop will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online. More details will be available nearer to the date.

**Nut Free Zone:** *Could we please remind parents that Seely Primary and Nursery School is a Nut Free Zone and to be mindful of what they put in their children's lunch boxes.*

*We have pupils in school with severe allergies and to have these products in school would be dangerous for them. Thank you for your understanding.*
