

Anti-Bullying Week – Poster Competition

To help promote anti-bullying at Seely Primary you are invited to create a powerful poster that can be displayed around school.

Think about the different types of bullying – you could focus on one, or more, or all of these.

**STOP
BULLYING**

Please submit your poster to your class teacher by Friday 14th (paper or electronic) with your name on the back. Ask if you need paper.

Winning posters from each phase of the school will be displayed around the school.

Certificates of entry for all.
